

COUNTY ATTORNEY ASKED TO INVESTIGATE THE DISPOSITION OF THE OLD HOSPITAL BUILDING WHEN NEW ONE IS OCCUPIED

F. Bennion Redd, County Attorney, was asked to pursue the disposition of the old hospital building when the new one is occupied. The old hospital is being used by San Juan County under agreement with the War Assets Board that it be used for medical purposes for a period of 25 years after which it will become the sole property of San Juan County together with three dwellings which are now occupied by hospital personnel. Moving into a new building presents a problem of whether the County may continue to occupy the buildings and receive ownership at the end of the 25 year period.
