ELECTED OFFICIALS MONTHLY MEETING

The following elected officials met with the Commission for the regular monthly meeting:

Mary Lou Mosher, County Recorder
Marian Bayles, County Treasurer
Barbara Montella, County Assessor

Commissioner Bailey reported to Mary Lou Mosher that the next County surplus auction will be next fall. The Commission encouraged all departments to see if any other department can use surplus property before it is sold at auction.

Barbara Montella reviewed a proposal by several other Counties to hire an auditor to audit the State assessed property. The Commission stated that they feel this would be very cost effective.

The Commission reported that all budgets should be figured based on the same amount of revenue as last year. The Commission further emphasized that an increase in one budget would mean a decrease in another.

The Commission reported that all submitted budgets will be left as they are until after the budget hearings. All department heads should be present at the budget hearing on December 10th in the County Courthouse at 6:00 p.m.

PETITION PRESENTED RE: EMPLOYEES RETIREMENT FUNDS

Rita Bryan met with the Commission to present a petition signed by 19 county employees requesting the following:

Commissioner Low stated that he felt the 3.35% is the employee's money and they should be allowed to use it as they wish.

Commissioner Bailey stated that he felt the funds should go into a supplemental retirement plan such as the 401-K program as soon as possible.

The Commission decided to defer action on this matter until the November 26th Commission meeting.
