MINUTES OF THE SAN JUAN COUNTY ROAD MEETING HELD AUGUST 14, 1978

TIME: 9:00 A.M.

PRESENT: Commissioners E. Boyle, D. Guymon, and C. Black. Engineer D. Pehrson, Foremen L. Lyman, B. Bradford, L. Adams, and A. Holden.

Minutes were read and approved

Doug reported the Red Mesa water well could be used by the construction crew providing the county would write a letter agreeing to certain stipulations. Doug reported he had written a letter and had Commissioner Boyle sign it.

Doug reported Bobby Walker, from the state board of aeronautics, had called and requested that work begin on OlJato Airport withing two weeks, or as soon as possible. Bernal said he would work on it weather permitting.

Doug reported the forest service had requested chip seal on Devil Canyon Campground. The commissioners recommended the road dept. do this if they have time and it is legal. Doug will check with the county attorney.

Teek requested Jimmy Grant be raised to 29-7 (\$5.74). This would be a 2 step raise. This was approved by the Commissioners effective July 25, 1978.

Lynn reported Inspectors from the mine safety and Health Dept. had inspected the gravel crusher and found several violations. They left a list of the violations at the road office.

Meeting adjourned.

MINUTES OF THE BOARD OF COUNTY COMMISSIONERS HELD AUGUST 21, 1978.

TIME: 10:00

PRESENT: E. S. Boyle, Commission Chairman
 David Guymon, Member
 Kristine Frost, Deputy Clerk

Commissioner Black was excused on county business.

EDGE OF THE CEDARS MUSEUM

Mr. Alden Hamblin of the State Parks and Recreation met with the commissioners to discuss the county's donation of up to \$50,000 dollars for the museum. The Commissioners stated that they felt that they entire \$50,000 dollars would be used up by the paving of the road and the sealing of the parking lot. They also felt that they couldn't legally do the sidewalks.

BLUFF SENIOR CITIZENS

Mrs. Laurel Thompson, Mrs. Harriet Demetrick, Mr. and Mrs. Ralph Benson met with the Commissioners to discuss the Bluff Multipurpose Building. These Senior Citizens want to purchase a mobile home to be used as a Senior Citizens Center as they feel they have been pushed right out of their building by the Town of Bluff. Commissioner Boyle stated that if the building was going to cause more dissension in Bluff then perhaps the building shouldn't be built. Mr. Haskins stated that if the senior citizens pulled out of the Bluff Multipurpose building then it could jeopardize getting the money for the building. Mrs. Thompson stated that they would wait until after the money was authorized and the building built to purchase this mobile home. Commissioner Boyle stated that he would look with disfavor on a trailer or any other Senior Citizens Center after the Multipurpose building is built. Mr. Haskins stated that the Senior Citizens would have a large room of their own that could be used for ceramics, quilting, or what ever else the Senior Citizens wanted to use it for. They would have the key to this room so that it could be kept locked.

Mr. Shumway met with the Commissioners and was told about the Senior Citizens visit. He stated that he felt that they County should go ahead with the building and not worry about this faction. The Commissioners discussed the in lieu of tax money that had been alloted to the Senior Citizens. Any major expenditures of over \$300.00 per item must be approved by the Commissioners prior to their purchase. Any other purchases under this amount should be approved by a designated representative of the Commission.

Mr. Shumway also attended a Legislative meeing on Unification. He stated that there were several legislators present and they were in favor of the unification system .

Mr. Shumway presented an Amendment #1 to Contract #78-8093. This was approved on a motion by Commissioner Guymon and seconded by Commissioner Boyle. This was to be signed by the Chairman.

SENIOR CITIZENS SUMMER CAMP

The Senior Citizens are going to Camp Roger on August 29, 1978. Dave Guymon made the motion to approve the advance payment to meals and transportation be made. This was seconded by Commissioner Boyle. The check is to be made out to Ken Hickman who will keep track of how the money is spent.

BLM ROUND-UP

Mr. Fernandez Begay, Mr. Begay's daughter and Lori Nakai met with the Commissioners to present a petition signed by 84 Navajos protesting the BLM roundup. Mr. Begay stated through his interpreter, Lori Nakai, that several Indians had seen helicopters chasing the horses and cattle across the river and then rounding them up. Mr. Robert Turri of the BLM denied that they BLM had a helicopter that was used for chasing the horses. He stated that they used a helicopter on the roundup to spot the horses that were in the various canyons. He also stated that there was alot of livestock in the river bottom, and on both sides of the river that the BLM didn't round-up. He stated that the Indian liverstock crossed the river and then when someone left the drift gates open then the stock wandered into the closed area. The BLM will take someone from the Navajo tribe with them on their roundups from now on. Mr. Begay stated that he would be glad to go with them to insure fair play to all the interested parties.

COMMUNITY ACTION PROGRAM

Mary Slama and Goldie Sanchez of the Souteastern Utah Community Action Program met with the commission to discuss the Weatherization program in San Juan County. The basic problem is that of finding funds to pay the employees to do the work of installation. They also asked for \$150.00 per month of office space. Mr. Haskins stated that this was already going on. Mrs. Slama stated that a new agreement must be signed but that they would have to send it down.

RAISE FOR SUSIE BARRY

Jim Stevens met with the Commissioners to discuss raising Susie Barry's salary one step, from Step 1, Grade 1, to Step 1, Grade 2. This was approved by the Commissioners.

SAN JUAN COUNTY FAIR

Pearl Whittaker met with the commissioners to discuss various matters about the fair that was just held.

MONTEZUMA CREEK TO BLUFF ROAD

The commissioners received the periodic estimate from the engineering firm of Echhoff, Watson and Preator in the amount of \$11,690. The deputy clerk was instructed to give this to Doug Pehrson. This was approved on a motion by Commissioner Guymon and seconded by Commissioner Boyle.

LETTER OF AGREEMENT

The Commissioners approved a letter of agreement between Bendix Field Engineering Corporation and San Juan County Road Department of Monticello, to perform the following work: Seal coat and chip the road into the old mill site at a cost of \$700.00. This was approved on a motion by Commissioner Guymon and seconded by Commissioner Boyle.

MAINTENANCE CONTRACT

The Commissioners signed a maintenance contract between the Sheriff's Office and Canyonlands Communications. This was approved on a motion by Commissioner Guymon and seconded by Commissioner Boyle.

MONTICELLO JAYCEES

The Monticello Jaycees sent a letter to the Commissioners itemizing their in kind services instead of money rent. Commissioner Guymon made the motion to waive the cash payment, this was seconded by Commissioner Boyle and passed unanimously.

INTERNATIONAL HAND GLINDER INVITATIONAL

Connie Coaette, Dixie Barker, and Jake Coffman met with the Commissioners to discuss various aspects of the Hang Glider invitational that would affect San Juan County. These people desired a Beer License for 10 days. Sheriff Wright asked that this be refused. A compromise was reached in that

There will be no beer sold the first weekend in San Juan County and then if there are no problems related to beer drinking then these people can get a permit for the next weekend.

MINUTES OF THE SAN JUAN COUNTY ROAD MEETING HELD MONDAY, AUGUST 21, 1978

TIME: 9:00 A.M.

PRESENT: Commissioners E. Boyle and D. Guymon, Engineer D. Pehrson, Foremen L. Lyman, A. Holden and L. Adams

Minutes were read and approved.

E. Boyle reported the Energy Commission had presented a signed agreement to Chip seal the road into the Old Mill Site south of Town. The County Attorney approved this. The Forest Service was unable to get a signed agreement so the Road Dept. will not chip seal the Devil Canyon Campgrounds.

E. Boyle reported on a misunderstanding that involved the oil distributor. He explained what had happened and commended the Patching and Chipping crews for doing an excellent Job.

Doug reported the Red Mesa Chapter had approved the county using the Chapter Water Well, and also the Gravel Pit. Also, the State had approved the go ahead on the Red Mesa Project.

Ace requested Linda Shiew be raised from a 26-2 to 29-2; form \$3.94 to \$4.54. Motion by Dave, seconded by Eddie. To Start August 25th

Teek reported he was repairing Equipment, getting ready to start work on Red Mesa Project. Should start this week.

Doug presented C. R. Maintenance agreement for Commissioner's signatures. This was approved by the Commissioners.

Bids on Anti Freeze were opened. Black oil was awarded bid.

Meeting adjourned.
