1984 SAN JUAN COUNTY FAIR

Shirley Steffen, San Juan County Fair Chairman, met with the Commission to present to them the new cover design for the 1984 Fair Book. The suggestion was presented to the Commission to have a Demolition Derby; however, the Commission felt that due to past problems the derby would not be appropriate. The Commission was notified of the new Fair dates August 8th thru 11th. Mrs. Steffen reported to the Commissioners that she felt the Extension Office was not rendering support in organizing this year's fair. After discussing the problem with Helen Neal and Jane Musselman of the Extension Office the Commission felt that there was just a misunderstanding and lack of communication.

Commissioner Black stated that he was generally opposed to law enforcement officers moonlighting in law enforcement activities because of the nature of their responsibilities. If any moonlighting is to be allowed it should be only after specific request to the commission and on specific occasions.

P & I FUND
