BEER LICENSE AT BLUFF DISCUSSED

John Lester met with the Commission to request permission to relocate his business where he sells beer. Mr. Lester would be moving approximately 2 blocks west on the Highway to the Conoco Station and would sell package beer only. The Commissioners informed Mr. Lester that they would need a letter from Mr. Johnson stating that he would not operate a Tavern or request a Beer license again for the location be abandoned, as they did not think it wise to permit any additional establishments selling Beer in Bluff.

AIRPORT MANAGER REPORTS ON F.A.A INSPECTION

George Endter reported to the Commission that the Airport inspection conducted by the FAA revealed that an area of Oak Brush needs removing, the wind Sock needs replacing and some area of the surfacing is breaking up. Mr. Endter also mentioned a problem with bulbs burning out and air in the water lines. Measures to correct the foregoing were discussed. Mr. Endter also reported that 179 outside aircraft had used the facility since March 5, 1969.

CIVIL DEFENSE APPOINTMENT - FIRE WARDEN DUTIES DISCUSSED.

The Chair was relinquished to Commissioner Black and Commissioner Hazleton moved to amend the previous salary offered to Joe Berry, and that the amount be set at \$500.00 per month. The motion was seconded by Commissioner Young, and those voting "Aye" were: Commissioner Hazleton
Commissioner Young

Those voting "Nay" were: Commissioner Black.

CIVIL DEFENSE SECRETARY RESIGNS

(undated)

To the San Juan County Commissioners and the rest of the crew at the Courthouse:
Please forgive this short resignation notice - I hate to admit it even to myself but I have a heart condition and I am getting too tired - I must quit something.

This can be verified at the local doctors office - Ann knows some of the previous difficulties I have had with this heart condition. A big thanks to her for agreeing to change on such short notice.

Something was mentioned about the extra hours I had put in - I hereby donate them to the cause of Civil Defense because we have so much population spread out so far and it is rather a difficult program to get accepted by the citizenry.

If I do not get to the meeting, please express my thanks to the State Group also - even though I only met most of them by voice - they are sure all right and they have a tremendous task. I'm grateful for the opportunity of feeling that maybe what little I could do helped.

Sincerely,

/s/ Cora H. Smith

The Commissioners instructed the Clerk to send a letter of appreciation to Mrs. Smith.
